About Me

I'm a 24-year-old third-year Data Science and Engineering student with a strong passion for learning and keeping up with the rapid growth of technological skills. Over the past few years, I've developed a strong ability to adapt and expand my knowledge in the data and IT fields. I am eager to further strengthen my skills, gain broader academic and professional experience, and joining a related field of work is also a must for me.

volunteering and Certification

- 2016 | Cultural Volunteer | Angkor Sangkranta
 - Product Sale Team
